

# *Why should you sponsor?*

## **ENHANCE YOUR BRAND IMAGE**

### **THIS UNIQUE EVENT IS BIG NEWS!**

**The Gala in the Woods will be  
100% CARBON-NEUTRAL.**

People want to buy from and work for businesses whose values reflect their own.

Sponsoring this event creates a solid foundation for your brand by helping you craft a genuine approach to sustainability.

Because we rented, borrowed, recycled, composted, reused, and planned, this tiny bag of garbage was all that last year's event for 130 guests generated.

All of the food is locally grown (within 100km of Barrie) and supplied by local businesses.

All of the money raised through ticket sales and the Art & Experience Auction will go into planting trees and other Climate Action Programs.
