

# Gala in the Woods

2026

**PLANT THE SEEDS FOR GROWTH**

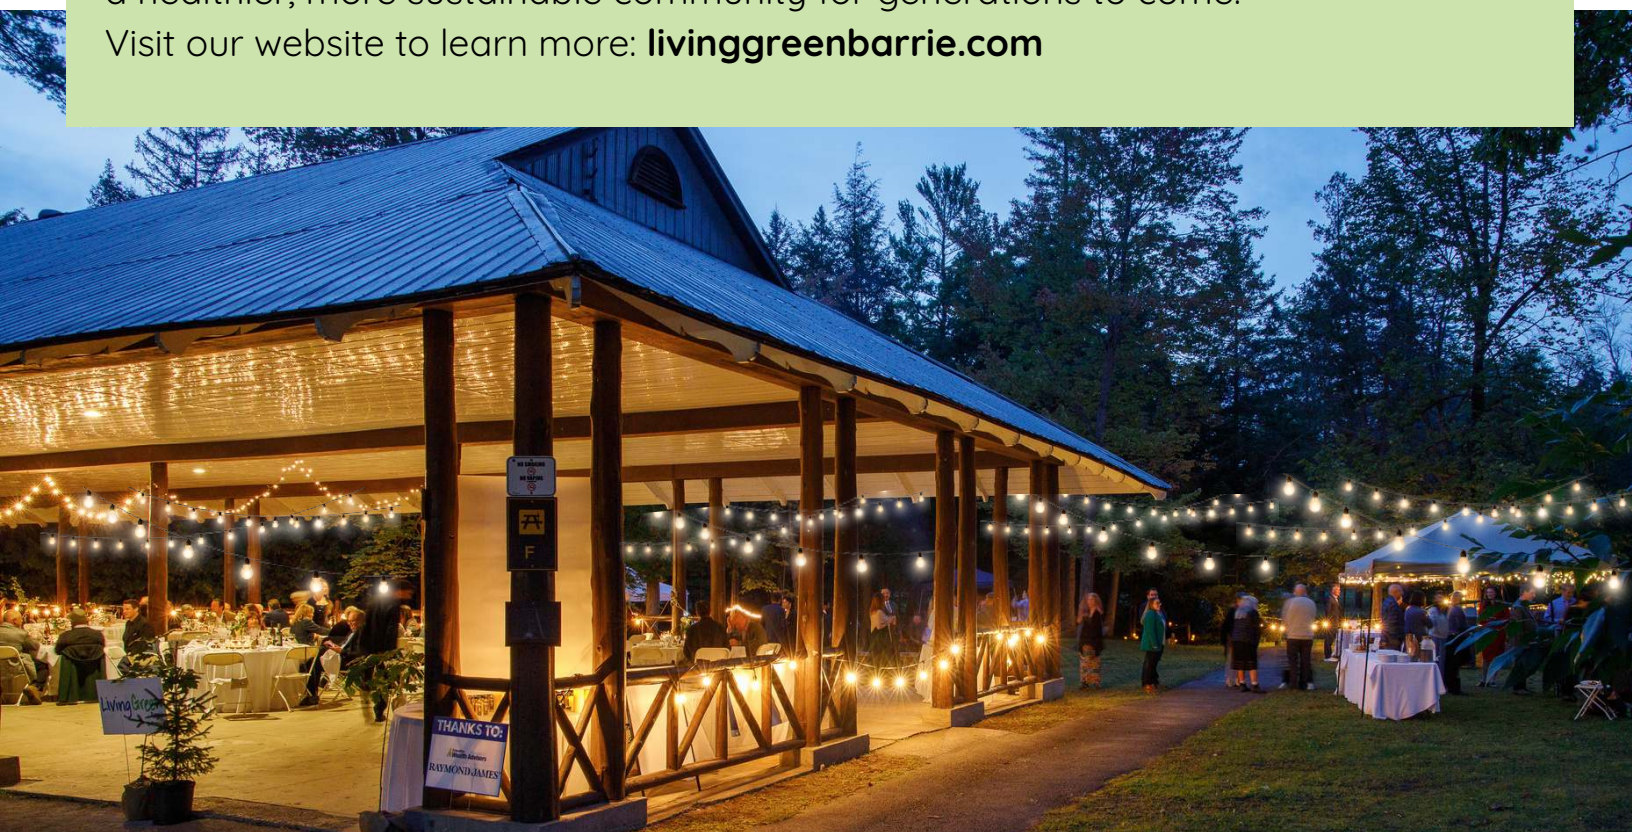

Living Green BARRIE

# Event Details:

September 26, 2026
Springwater Provincial Park

---

Join us for an unforgettable evening under the stars as we raise funds to tackle climate change and create hope for future generations. The 4th Annual Gala in the Woods features a spectacular Locavore Feast prepared by award-winning chef, Melanie Robinson, the Living Green Business Awards, a curated art silent auction, and live music and entertainment—all while remaining 100% carbon-neutral. Every detail reflects our commitment to sustainability, from locally sourced food grown within 100 km of Barrie to an event that generated just one small bag of waste for 130 guests last year. Proceeds support tree planting and other climate action initiatives, making every sponsorship a direct investment in a greener future. By partnering with Living Green Barrie, your organization demonstrates environmental leadership, connects with values-driven consumers, and helps build a healthier, more sustainable community for generations to come.
