# About Living Green

**We plant trees. We educate and inspire.  
We offer hope for a changing climate.**

In 1991 a group of concerned residents came together to raise public awareness of environmental issues. We are Living Green Barrie, an environmental charity that seeks to educate, advocate and encourage action by individuals. We are guided by the belief that we need to create the kind of world we want to live in.

**For over 30 years we have been inspiring people to  
make responsible environmental choices.**

## **Local Credible Leaders**

**With facts and science supporting us, Living Green  
works to influence change at local level.**

**We are passionate & creative changemakers  
with a hopeful vision of a healthy  
green community and a  
clean Lake Simcoe.**
