

Living Green Barrie is proud to partner with Pollinate Barrie.

Pollinate Barrie is a volunteer-led grassroots group founded in 2022 by Ashley Hammell and Kelly Patterson McGrath.

Pollinate Barrie works with individuals, schools, organizations, and municipalities to promote **native ecosystem restoration and pollinator habitat through education and community action.**

Visit their website for more information pollinatebarrie.ca

A monarch butterfly with its characteristic orange and black wings is perched on a vibrant purple aster flower. The background is a soft-focus field of similar flowers and green foliage.

Welcome to Pollinate Barrie

We are a community-led group that wants to help create and sustain native pollinator habitat in our City. Everything we do is volunteer driven by people passionate about plants, pollinators and planet.
